Program Planning Calendar

A Calendar for planning your Year-Round Program!

Here is your 2010– 2011 Program Planning Calendar. Every page is full of the activity, training, and program dates that your unit relies on to operate all year long. Use this tool as you prepare your unit calendar so you can avoid conflicts with council and district activities. Share this calendar with your fellow unit leaders so they are in the know about training, roundtable, and other activity dates. Provide your unit committee with a copy so they can plan your fundraisers and Popcorn Sale participation. Your unit's FOS chairperson should have a copy so they can accomplish their goal of obtaining an FOS gift from every family in the unit. This calendar is not just a paper document. You can find the online version at our councils home on the web, www.monmouthbsa.org. From there you can download event flyers and even register online for select events. Your 2011-2012 Scouting year is just around the corner. Make sure your unit is prepared for Scouting's second century!

A Planned Program is a quality program

- Offer Training opportunities to all leaders. There are training events throughout the year.
- Council and District Activities help to supplement your unit's program
- Plan on getting your unit out to one of the great camping opportunities. The strength of a program is usually determined by the outdoor program,
- After planning your budget, look at funding your program. Many units in our council sell popcorn and fund their entire year!
