

Pledge Letter

We, _____ (unit#) _____, pledge to adopt _____ (name of school) _____
for a period of one year, beginning _____ (date) _____. We will fulfill our commitment by completing a
minimum of one volunteer service project per quarter. We look forward to working with the
principal and staff to identify the school's needs and establish a plan that will bring
meaningful progress.

We are honored to serve in this way, and through sustained volunteer service we hope to
contribute to the advancement of this school and to the spirit of community between our
Scouts and our adopted school.

After each completed project, our Scouts will receive an Adopt-A-School patch in recognition
of their participation and accomplishments. At the end of the year, the council and school will
both receive a plaque recognizing completed projects and the year's overall success.
