***Follow your own journey learning about the "Adventure" in Scouting.***

Join us for a quest as we transform Quail Hill Scout Reservation into the "Town of Illloki" nestled into the woods peacefully until right before you arrive.

For your Adventure, you will venture out in parties throughout the town (Camp). You are welcome to bring along some acolytes (Bears) and elders (Adults) for the journey.

Throughout your adventure you will learn and be working with Scout Skills such as fire building, ropes, bow and arrows, and BB guns. Your adventure will be shaped based on the decisions you and your fellow adventurers make.

**REGISTER ONLINE AT [MONMOUTHBSA.ORG/WEBELOSWOODS](http://MONMOUTHBSA.ORG/WEBELOSWOODS)**
