Closing Ceremony “The Living Circle”

(This is just one version of this ceremony.)

Each person grasps the extended left thumb of the person to the left, thus making a complete living circle handclasp. Meanwhile, the right hand of each is held high above the head in the Cub Scout Sign.

The living circle can be put into action by pumping the left hands up and down while all say:

"Ah-kay-la! We'll do our best!",

snapping into a circle of individual salutes at the word “best.”
