VOLUNTEER LEADERS – Volunteer leaders are a very important part of our Summer Camp program. Being a volunteer leader gives you the opportunity to help supply a top-notch program to a large number of Scouts. It also allows you to spend some real quality time with your child and to be a real part of their Scouting experience. You can volunteer for one day, one week, or the entire summer. Any help is greatly appreciated. Volunteers must fill out the Volunteer application contained in this guide and submit it to Monmouth Council. (form is located in the forms section of this Parent/Leaders Guide.)
- Volunteers will receive a Staff T-shirt as well as a Camp Patch.

SAFETY/PASSWORDS – The safety of the participants as well as the safety of our Staff are of paramount importance. With this in mind, all campers **MUST** wear the Camp tee shirt and a password is required to be filled in on the camper application. This password is extremely important. It allows you or someone that you send to pick up your child at the end of the day. It also allows us to ask questions or permission for something over the phone and know we are talking to the person responsible for making such decisions. Please take the time to choose a password that you will remember and fill it in on the application. Also, please ensure that all contact information is printed legibly on the camper application in case we need to contact you. This camper application is located in the forms section of this Parent/Leaders Guide.

BSA ANNUAL HEALTH AND MEDICAL RECORD – It is required for all youth and adults to fill out a BSA Annual Health and Medical Record form each year. This form is included in the forms section of this Parent/Leaders Guide. Youth and adults attending Day Camp need to fill out section A and B. Youth and adults attending Resident Camp must fill out section A, B and C. Sections A and B must be signed by the parent. For Resident Camp attendees, Section C must be signed by the doctor. Be sure to include immunization information and prescription drug information. The Annual Health and Medical Record is located here www.monmouthbsa.org/qhsr-formsummer . Please submit the form to the Council Service Center at least two weeks before arrival at camp.

FINANCIAL ASSISTANCE - Camperships are available to all Scouts based on financial need. Please make sure applicants need the help or you may take it away from someone who really does. **All campership applications are due at Monmouth Council no later than April 1st.** Any applications received after this date, will not be considered. Campership amounts are not fixed, but flexible according to need. Camperships do not cover the full camp fee and can only be submitted for a single session. Applications must be signed by the unit leader and the parent. The campership application is located at www.monmouthbsa.org/qhsr-formsummer.

ADVANCEMENT - Achievements offered during camp change day to day and week to week depending on the scheduled program, weather conditions, staff availability and time factors. At Quail Hill, our focus is on FUN first and achievements second. A list of completed achievements will be sent via email after summer camp. Please ensure your email address on the camper application is completely legible. Awards are purchased by the Pack after camp. Check with your Pack to see if they cover the cost of these awards. If not, the parent may be required to cover the cost.
