Every Scout should be given an opportunity to take part in Scouting. This Service Fee Waiver has been established to help families find Scouting within reach. As with all Scout programs, it is based on the time-honored principle that an individual Scout earns his or her own way. However, not every Scout and/or Scout family is able to or has the resources to be able to participate in Scouting. The money made available through the Service Fee Waiver Request is intended to make Scouting available to those families in need.

All awards are subject to the availability of funds through the current year. If your application is approved, a confirmation letter will be sent with further instructions.

All assistance will be based on need. Scouts are expected first to raise what funds they can from work, savings, family support and unit contributions. The funds available through the Service Fee Waiver Program must be raised through various sources including direct support, product sales and special events. It is for this reason we ask that only those with true needs apply for assistance. Additional assistance is available for camp registration by visiting our website www.monmouthbsa.org or calling the Monmouth Council Service Center (732) 536-2347.
