Overview

Our Mission
The mission of the Boy Scouts of America is to prepare young people to make ethical and moral choices over their lifetimes by instilling in them the values of the Scout Oath and Law.

Scout Oath
On my honor I will do my best To do my duty to God and my country and to obey the Scout Law; To help other people at all times; To keep myself physically strong, mentally awake, and morally straight.

Scout Law
A Scout is:

About MCBSA

Founded in 1917, Monmouth Council, BSA is chartered by the National Council, BSA, to provide program and administrative support for the Scouts and units across Central Jersey. The BSA was founded in 1910 on the principles of making a difference through civic service. Scouting provides quality youth programs that build good character while building better communities.

Monmouth Council serves Scouting units in Monmouth and one-third of Middlesex Counties.

Monmouth Council is one of the largest youth-serving organizations in Central Jersey. In 2018 we had more than 8,000 young people registered in programs. These young people are supported by over 3,000 adult volunteers that serve as leaders, merit badge counselors, and committee members to deliver a quality Scouting program.

We offer a variety of Scouting programs for youth from Kindergarten through age 21, and have several co-ed programs.

Cub Scouting (age 5 - 10 year old boys and girls)
Scouts BSA (age 11 - 17 year old boys and girls in separate single-gender troops)
Venturing (age 14 - 21 year old boys and girls)
Exploring (14 - 21 year old boys and girls)

Monmouth Council operates under, and promotes, the mission and vision of the Boy Scouts of America.
Greetings to our Scouts, Scout Families, Leaders and Supporters,

This time of year allows us to reflect on the past twelve months and give thanks for the blessings we have. Please allow us to extend our gratitude to you for your friendship and support of Scouting. We are thankful that our work allows us to reach over 8,000 boys and girls throughout all of Central New Jersey’s diverse communities, and we are grateful to friends like you for providing us the resources to do so.

We do a lot for kids. We provide them fun and safe activities both during the school day and during the critically important non-school hours. We provide them a framework of caring and supportive adults to help develop and guide their moral compass. We provide an opportunity to learn new skills and help ordinary kids become extraordinary adults. We provide them hope and something for them to also be thankful for during this special time of year.

2018 has been an exciting year for the Monmouth Council. Collectively we are serving more children, providing outstanding program, and we produced 194 Eagle Scouts in 2018 alone. We also sent 1,500 of our Scouts to Summer Camp, 7,051 Merit badges were earned by our Scouts and provided over 35,781 hours of community service. We welcomed 149 girls into our Cub Scout Family program this fall and are excited about serving girls ages 11-18 in our Scouts BSA Program beginning on February 1, 2019.

Our comprehensive youth development programs are varied in the methods they use to reach children, from after-school programs in Asbury Park and Freehold Borough to camping trips, career education, and much more. One constant theme runs through all our programs, though – helping ordinary kids become extraordinary adults.

Every child has potential within them, and what our programs seek to do is to unlock it. We believe in the power of a community coming together to help its young people and build its next generation of leaders because we see it working each and every day through Scouting in Central Jersey.

At the close of 2018 over $2.2 million was spent in serving the young people of our community. On average, it costs us $290 to serve a child through our programs for a full year. Our services are efficient, but we do not think you can put a price or a value on what they do for the kids we reach.

Over 90% of the money we spend each year is raised from the ground up from individuals and the generosity of the corporate and philanthropic communities. We depend on you, and the kids we serve depend on you. Especially in tough times like these, kids need our help. They are growing every day and giving them opportunities to learn and grow shouldn’t be considered a luxury.

We look forward to seeing you along the Scouting Trail!
Journey to Excellence Gold

This was our 5th consecutive year classified as JTE Gold. We are one of 13 Councils across the nation who have made this achievement.
Executive Committee

BOY SCOUTS OF AMERICA
MONMOUTH COUNCIL

PRESIDENT | Timothy J. Hogan, FACHE, President of Care Transformation Services, Hackensack Meridian Health, Inc.

COMMISSIONER | Brian J. Valentino, C.P.A., Executive Director, Western Monmouth Utilities Authority

SCOUT EXECUTIVE, CHIEF EXECUTIVE OFFICER | Michael P. Mahon

EXECUTIVE VICE PRESIDENT | Vincent J. Hager, CIRMS, President, JGS Insurance

TREASURER | William A. Meyler, C.P.A., President, Meyler CPA

VICE PRESIDENT-PROGRAM | Jerry V. Ceres, PIR Consulting, LLC

### With the Introduction of Family Scouting, We Welcomed 150 Female Cub Scouts

In 2018, the National Office of the Boy Scouts of America started accepting girls into the iconic Cub Scout program. Cub Scout dens are single gender — all boys or all girls. Cub Scout packs, meanwhile, can include any combination of all-boy or all-girl dens. This hybrid model builds on the benefit of a single-gender program while also providing character and leadership opportunities for both boys and girls.
83 Cub Scout Packs
31 Explorer Posts
16 Venturing Crews
1 Sea Scout Ship
86 Boy Scout Troops

217 Units
Scoutreach is the Monmouth Council’s commitment to making sure that all young people have an opportunity to join Scouting regardless of circumstances, neighborhood or ethnic background. Scoutreach meets the development needs of youth in urban and rural settings through a well-defined program based on values, learning by doing, fun, and positive role models.

Monmouth Council introduced two Scoutreach programs this year, one in Freehold Borough and one in Asbury Park. Freehold Borough is supported by the Battleground District and operates out of Park Ave. Elementary School. Asbury Park is supported by the Thunderbird District and operates out of Bradley Elementary School.

Scoutreach delivers a uniquely tailored Scouting program to youth from 6 to 12 years old in economically distressed neighborhoods. Through this program, we provide quality leadership to vulnerable youth in the often unsupervised after-school hours, along with program materials, insurance and registration fees, reading materials and literacy support, as well as weekend trips and summer camp opportunities to ensure that at-risk youth have additional opportunities to be successful in school and in life.
Ten Explorers, aged 14-18, enjoyed the Inaugural Healthcare Explorer Camp held at Monmouth Council Boy Scouts of America’s Quail Hill Scout Reservation in Manalapan, NJ.

The program was facilitated by volunteer Linda Hassler, DNP, RN, a faculty member at Rutgers University School of Nursing and Director of Nursing Excellence at Meridian Nursing and Rehabilitation, and Priscilla Borges, Battleground District Executive with the MCBSA.

There were varied experiences during the week. Several campers stayed overnight and enjoyed an evening at the movies, a driving range, and bowling. Explorers accomplished the 16-hour Wilderness First Aid certification course, complete with in-pool water rescues, and Cardiopulmonary Resuscitation (CPR) certification class.

“I enjoyed learning about the different career opportunities available” -Chelsea

Mid-week, MONOC provided a helicopter “first aide call” in the parade field where Explorers prepared a victim for transport. MONOC operates the MICU Paramedic Services, Helicopter interfacility and 911 services, Mobile Critical Care Services, and Basic Life Support and 911 services. The EMTs spoke with the Explorers about their career and experiences.

“Thank you for making it such a fun and immersive experience!” -Erin

Another highlight was a visit to the Rutgers Robert Wood Johnson Medical School cadaver lab in Piscataway, NJ, where people have chosen to donate their bodies to science and learning. Explorers also toured the School of Nursing Simulation Laboratory, in New Brunswick, NJ. These are all learning experiences that a healthcare student may encounter during their college education.

There were also lunch-time guest speakers including MCBSA Board Members Jerry Ceres, from Hackensack Meridian Health on Informatics and electronic medical records, Gerry Case, PA, who is a retired Physician Assistant, and Linda Hassler, DNP, RN, who spoke on the various specialties in nursing and facilitated an “Aging Simulation” hands-on program. Tim Hogan, President of Care Transformation Services and president of the MCBSA, gave the graduation address on the various careers in healthcare and his experience as a top leader of Hackensack Meridian Health.
