

SAVE THE DATES

2019/20

SCOUTING FOR FOOD is a Council-wide program that never takes a break!

You can *Scout for Food* all year round. Our traditional time is the Fall but you can also collect food in the Spring. When you plan your yearly calendar, please do not forget to include this very important event.

Deliver an empty bag to each home in your town, collect the bags the following weekend and donate that food to a local Food Pantry.

Set up a date at the Supermarket and collect food from the patrons, then deliver that food to a local Food Pantry.

After you are done with your collections, please download and fill out the Collection Form at www.monmouthbsa.org/scoutingforfood and send it to Monmouth Council to let us know how you did!

Complete registration information can be found on full flyers available on the Monmouth Council Website or on the wall at Council Office.
