The Official Publication of Monmouth Council
Greetings to all of our Scouts, Scout Families, Scout Leaders and Supporters.

On behalf of the Monmouth Council, Boy Scouts of America, we welcome you and your family to Scouting. Whether this is your first year in Scouting, or if your family is returning for another fun packed year – Welcome!

As summer draws to a close and our focus shifts away from barbeques and the beach, toward “back to school,” it is also time to “get back to Scouting.” If your unit needs assistance with recruiting new adults and youth into our programs, our council’s membership and marketing committees, along with our entire professional staff, stand ready to assist in your unit’s efforts. We were given a remarkable opportunity, thanks to the National Office, to geofence your Join Scouting Nights on Facebook for no cost to your unit! Please contact your district executive if you have any questions about how to take advantage of this great marketing tool.

This fall, hundreds of new Cub Scout families from both Middlesex and Monmouth counties will participate in and enjoy a good old-fashioned Cub Scout Activity called “Cubtoberfest.” Hundreds more in Scouts BSA will have the opportunity to participate in their first Fall Camporee or Merit Badge Activity day. The Scouting program in Monmouth Council is alive and well, thanks to thousands of adult volunteer leaders who give of their time, talent and treasure. Scouting has been alive and well in Monmouth Council for over 100 years!

We send out our sincerest thanks to our generous supporters who: helped sell popcorn or Camp cards; attended a “Good Scout” Reception; played a round of golf; or plan to attend the Huddy Dinner. Thank You, one and all!!!

To our Scout leaders and Chartered Organization Representatives, please remember to complete your unit’s charter and get it the Council Service Center before December 13, 2019!

We look forward to seeing you along the Scouting Trail this Fall!

Yours in Scouting,

Michael P. Mahon
Scout Executive

Timothy J. Hogan, FACHE
Council President

Brian J. Valentino, M.P.A.
Council Commissioner
Bailey Ferrugia of Eatontown, New Jersey, Monmouth Council BSA, earns all merit badges the BSA has to offer. Bailey started Scouting when he was just six. He had been ill as a youngster, but when he was released from doctors’ care he joined the Scouts right away. “This is what I want to do”, he told his parents. Bailey excelled in Cub Scouting earning all the belt loops and adjoining pins from the Sports & Academics program as well as all the (then known as) “Webelos” pins, earning the Arrow of Light, the Super Achiever Award and a plaque from his Council. He then set his sights on Boy Scouting.

Bailey started Boy Scouts when he was eleven, and already had his heart set on earning all the merit badges. The BSA does not actually keep track of how many scouts earn all the merit badges but “Merit Badge Knot,” a site on the internet does. Currently there are 422 recorded Scouts out of the millions of Scouts since 1910 that have earned them all.

Every visit to the Scout Store, Bailey would stand and stare at the badge display and decide what he would work on next. At this time, a Scout is required to earn 21 badges to become Eagle along with his service project. Bailey earned Eagle Scout when he was sixteen. His service project in honor of the fallen soldiers of Eatontown, which was just over $110,000.00 with 738 hours worked with 97 volunteers, named “Project Remember” earned him Eagle Scout Project of the Year in his Council (Monmouth Council).

Bailey remembered being discouraged several times but pushed on and persevered. It took quite a bit of motivation to keep on going. He had plenty of encouragement from family, friends and other Scouts and Scouters. He attended many camps, sometimes 4 camps in a single summer and lots of merit badge fairs. He said, “The trick is to do the whole badge before you go, not just the prerequisites. That way if anything comes up or they run out of time you won’t wind up with a partial”. He has even gone to the extent of videoing himself doing practicals to show that he had done the work. Bailey’s favorite badge was Welding, as he and his father restore old cars together. Bailey did computers merit badge before it was retired.

Bailey would camp with other troops with no problem. He would say, “They are just friends I haven’t met yet”. Quite a true statement, as Bailey has made friends with Scouts all over the U. S. and the globe, from World Jamboree in Japan, the Icelandic Jamboree, in Reykjavik, Iceland, Order of the Arrow Conclave in Puerto Rico, dog sledding at the border of Canada, hiking the Rockies in New Mexico, doing Community Service in West Virginia at the Summit Bechtel Reserve, and in the Bahamas sailing with a troop from Iowa. Bailey has earned the Triple Crown and Grand Slam of High Adventure. Bailey’s first interest has always been Scouting. It is obvious by the amount of Merit Badges and patches he has amassed and the awards he has earned. Bailey has earned: NJ Grand Lodge of Free & Accepted Masons Scout of the Year Award, Eatontown Citizen of the Year, September 2019.
Eatontown Mayor’s Medal for Community Service, 138 merit badges, 7 silver and 1 Gold Palm, he is a James E. West Fellow, International Spirit Award, AED & CPR Certified, Ham Radio Licensed, BSA Paddleboard, 50 miler for hiking and biking, World Conservation Award as a Cub and Boy Scout, National Outdoor Awards for hiking, riding, camping (with 2 silver & 1 gold device), Aquatics, Conservation, and High Adventure, Klondike Derby winner as Cub & Boy Scout, Mile Swim, Forestburg Heritage Award, BSA Lifeguard, Complete Angler, Messenger of Peace, Cyber Chip, BSA Recruiter, National Youth Leadership Trained, OA National Leadership Seminar, OA Vigil Honor, OA Sharpest Arrow Award x2, Monmouth Council Popcorn Top Seller For Several Years.

Bailey also has over 700 community service hours from volunteering at St. Dorthea’s Church, St. Dorthea’s Food Pantry, Eatontown Food Co-op, Eatontown Knights of Columbus, Eatontown Lion’s Club, Eatontown Youth Committee, Monmouth Council Campbuilders, Na Tsi Hi Lodge #71 as Chairman of Cheerful Service, OA Summit Experience, planting trees here in the U.S. and in Iceland with the U.S. Ambassador to Iceland. Although Scouts is Bailey’s first choice, he also has played baseball all through Scouting, ran track, and has been a Varsity Bowler since freshman year, where he is team Captain. He has been on student council since freshman year and is Vice President of the student body and liaison to the Board of Education. He is also a member of SADD, Key Club, Heroes & Cool Kids, National Honor Society, and Student Leaders and Vice-principals.

Bailey has traveled to many places in and out of Scouting. He has been to Japan (WSJ), Italy & Germany (school), France & England (75th Anniversary of D Day with TAC), Iceland (Icelandic Jamboree), Puerto Rico (OA Conclave) + 2 other conclaves in the U.S., Philmont in New Mexico, Northern Tier in Minnesota, Sea Base Bahamas, Summit West Virginia (2x National Jamborees, OA Experience), and many camps in several different States. Bailey has a love of travel and meeting new people. Bailey has decided to become an adult leader in Scouting and will be an Assistant Scoutmaster for an international troop at the 2019 World Scout Jamboree this summer at the Summit Bechtel Reserve. Bailey’s OA Vigil Name is Getteminak Memsochet which translates to “Cheerful Traveler”.

In the Fall, Bailey will attend Plymouth State University in New Hampshire majoring in Robotic Engineering to create new prosthetic limbs for soldiers and minoring in High Adventure.

Eagle Scout Projects
22,590 Service Hours
Value of Service Hours = $152,824
Our Pinewood Derby season came to a roaring climax at VFW Post 2179 in Port Monmouth with 65 drivers participating. The winners of the Twin Lights Pinewood Derby then moved on to Monmouth Council Pinewood Derby Event held at OceanFirst Bank in Red Bank to the pleasure of the throngs of race fans and the Dogs Gone Wild food truck!

This is the season for Eagle Courts of Honor, Twin Lights has seen over thirty Boy Scouts ascend to the level of Eagle, the most prestigious award in Scouting. To meet these requirements Scouts must lead a community service project while demonstrating that they live the Scout Oath and Law.

Exploring has had its share of adventure with the Ride-A-Long programs for the fire, EMS and police posts. Twin Lights District has added Post 175, Monmouth Medical Center, Long Branch, Post 182, Holmdel Fire & Rescue Company #2 and Post 36, Tinton Falls Junior Firefighters. Welcome to all our new units! We even have programs for these new Explorers. Quail Hill had the Health Care Explore Week at the end of July. Then September 7, we have the Clash of Fire Explorers at Monmouth County Fire Academy. Both these events are a commitment to offer more programs for our Exploring program!

Our camps had a great summer. Forestburg introduced the new Richards Cabins and renovations to Horvath Hall. We want to see everyone next year at Quail Hill and Forestburg. It is never to early to sign up for camp.

Finally, please congratulate Christopher Harris and Eric Low for being Twin Lights District Award of Merit recipients for 2019. This is a well-deserved award and thank you for all you do!
The Battleground District is excited for camp and excited for Summer 2019! We kicked off our summer festivities with our Annual Summer Bash! What is more exciting than Tacos & Fellowship? This year we honored a few of our great volunteers, Barbara Thorpe – Nelson, Troop 155 and Adam Shumard, resident ranger at Quail Hill Scout Reservation who are our 2019 District Award of Merit Recipients. These volunteers have given more than expected to help support scouting in our district and we thank them, they were received by all past recipients at our celebration and it was an exciting night.

Thank you to our Summer Bash Committee, Tracee Wilcox and Barbara Thorpe-Nelson for their amazing job! We would also like to congratulate our new district chair, Todd Columbia on receiving the 2019 Silver Beaver.

The District had a great turnout at our summer camps this year, including our Troop 290 from Colts Neck, who was one of the first girl troops to camp at Forestburg Scout Reservation this summer. We greatly appreciate everyone’s support of our camps.

We are looking forward to a successful fall recruitment campaign this year as we return to school and Scouting. Thanks to all of our volunteers, leaders and parents who help Scouting in the Battleground District.
This is the point in the year when all Scouts are gearing up for back to school and Scouting! Our Thunderbird District reached a record-setting year for our Scouts BSA Boy Troops at Forestburg Scout Reservation, Forestburgh, NY. We also had great representation at Quail Hill Scout Reservation, Manalapan, NJ for our Cub Scouts. It was a superhero summer for our Cub Scouts.

Many thanks to Pat Daniels and Todd Lee for a great District Picnic on the beach in Belmar in June. Thanks, also, to QuickChek for their generous donation to help make the event a success.

Back by popular demand, Thunderbird District is pairing up with Twin Lights District for a second Shore Comedy Show. Be sure to join us November 6th at the Long Branch Elks Lodge for a night of laughs with Ginger Ninja Productions. Proceeds from the night benefit Monmouth Council, Boy Scouts of America. We are looking forward to another comedy-filled night and hope to see great representation from Thunderbird District.

As the Thunderbird District prepares for a back to school on the Jersey Shore, Scouting continues for the over 1,050 families served by our wonderful volunteers. We want to see your Scouting in action this fall so remember, be loud and proud with your Scout spirit!
Middlesex District started off 2019 very excited about the changes to the Scouts BSA program. The District saw 3 Girl Troops start in the first few months of the year: Troop 102, Troop 501, and Troop 777. These Troops have been very active in the Scouting organization already and continue to grow on a daily basis.

Middlesex District had some great events thus far in 2019, with many more scheduled. The District held its Klondike Derby on 1/26 at Quail Hill Scout Reservation. The District held its 2nd Annual Winterburg Event on 2/22-2/24 at Forestburg Scout Reservation. The Scouts love this camping trip in which they get a chance to go Ice Fishing, Rifle Shooting, Axe Throwing, Ice Mini-Golf, Human Foosball, Sharp Shooting Competitions, and Curling.

The District held its Annual District Dinner on 3/24, where we saw Jeffrey Scott and Jessica Vizthum earn the District Award of Merit. Congratulations again to both of them for all that they do for Middlesex District!

The District Pinewood Derby was yet again a great success. It was held on 4/28 at the Dayton Toyota. Middlesex District saw over 150 Scouts race their Pinewood Derby Cars that day. Middlesex District held its Snuffy Hollow Camporee at Thompson Park on the weekend of 5/3-5/5. This event certainly was a memorable and rewarding experience for all the Scouts and Scouters who participated.

The District hosted its Aqua Camporee on the weekend of 6/21-6/23 at Quail Hill Scout Reservation. We have over 200 Scouts attend this camporee from 4 different Councils!

Middlesex District wants to thank all of the units and Scouts who attended Quail Hill and Forestburg Scout Reservations. It was a very successful summer at the camps, and it would’nt be possible without your support!

Middlesex District is focused on getting ready for an awesome Fall, where we hope to see many new youth join the Scouting adventure!
Monmouth Council Boy Scouts of America’s 2nd Annual Healthcare Explorer Camp was held this summer July 29th - August 2nd at Quail Hill Scout Reservation.

The program was facilitated by volunteer Linda Hassler, DNP, RN, and Priscilla Borges, Battleground District Executive with the MCBSA. Sponsors included Monmouth Medical, Centra State, Rutgers University School of Nursing, Rutgers Robert Wood Johnson Medical School, and MONOC (Monmouth Ocean County Hospital Service Corporation).

A dozen explorers had the opportunity to experience all the different aspects of the healthcare field. Several campers stayed overnight and enjoyed an evening at the movies, arcade, and bowling. Explorers accomplished their First Aid certification course, complete with in-pool water rescues, and Cardiopulmonary Resuscitation (CPR) certification class.

The week started with, MONOC provided a helicopter “first aide call” in the parade field where Explorers prepared a victim for transport. MONOC operates the MICU Paramedic Services, Helicopter interfacility and 911 services, Mobile Critical Care Services, and Basic Life Support and 911 services. The EMTs spoke with the Explorers about their career and experiences.

Explorers also toured the Rutgers School of Nursing Simulation Laboratory, in New Brunswick, NJ, with Professor Tita Viray, RN, BSN, Clinical Learning Lab Coordinator. The explorers participated in a hands on escape room. These are all learning experiences that a healthcare student may encounter during their college education.
Another highlight was a visit to the Rutgers Robert Wood Johnson Medical School cadaver lab in Piscataway, NJ, where people have chosen to donate their bodies to science and learning. Dr. George Mulheron, Assistant Professor, Department of Neuroscience and Cell Biology, gave a marvelous tour of the human body with hands-on discussion of the brain, heart, lungs, and view of the organs.

Explorers spent two days at Monmouth Medical, Long Branch, NJ and Centra State, Freehold, NJ doing hands on simulations in the Hemoglobin Lab, Sterilization Lab, Rehabilitation Center, Mommy & Baby Wing, SIM Labs, and more!

Explorers also toured the Rutgers School of Nursing Simulation Laboratory, in New Brunswick, NJ, with Professor Tita Viray, RN, BSN, Clinical Learning Lab Coordinator. The explorers participated in a hands on escape room. These are all learning experiences that a healthcare student may encounter during their college education.
**CentraState** Healthcare System is proud to announce that its community outreach student Medical Explorers Program has recently been selected as a 2019 New Jersey State Governor’s Jefferson Award Honoree in the Volunteer Program/Group category.

Each year, the New Jersey State Governor’s Jefferson Awards highlight the spirit of civic engagement among New Jersey’s 1.8 million volunteers and provide medals in 22 categories of volunteer service.

CentraState’s Medical Explorers Program, offered in partnership with the Boys Scouts of America, is a co-ed program that gives high school students between ages 14 and 20 the opportunity to explore a variety of careers in the health care field through interactive learning with medical professionals, hands-on workshops and activities, and hospital tours. The Program has made a difference in 341 young lives since its inception in 2015. The Medical Explorers Program’s 58 staff and community partner volunteers were designated as a Jefferson Award Honoree for their work in the youth program, demonstrating unique vision and dedication, and serving as inspiration for others.

“We are delighted to be lauded for our work with the youth in our communities and helping them to learn about the various roles in health care,” says Maryellen Dykeman, manager, Community Wellness, CentraState Healthcare System. “It’s rewarding to see them take such interest in a field where you help others and determine if a career in the medical field may be in their future.”

Jefferson Award Honorees, including CentraState’s Medical Explorers Program committee chairpersons Maryellen Dykeman, Nanette Spedden, and Barbara Yuhas, were recognized at a local ceremony on May 19 at the War Memorial/Patriot Theater in Trenton, NJ, and received a Jefferson Award lapel pin and certificate of recognition.

The New Jersey State Governor’s Jefferson Award is a joint program administered by the Community Foundation of New Jersey, The Star-Ledger Powering NJ.com, and The Governor’s Advisory Council on Volunteerism, with support from corporate underwriters. The Jefferson Awards is a national volunteer recognition program established in 1972 by the American Institute for Public Service in cooperation with the US Senate and the White House. The Jefferson Awards are considered America’s highest honor for public service and volunteerism.
Matawan Scouts BSA Troop 66 had a unique opportunity to operate big earth-moving machines at a recent visit to the International Union of Operating Engineers (IUOE) Local #825 Training Center in Dayton, NJ. Local #825 Trainers provided a packed morning experience: a classroom session and actual seat time for each participant individually running excavators, backhoes, and all-terrain Gators. Scouts (and adults!) got a good sense of the coordination and skill the Union Operators demonstrate in their daily jobs.

Scouts Ethan C., Connar D., Jay D., Adam G., Ryan K., Shawn L., Louis L., Andrew M., Aiden M., James O., Simon R., Ryan S., and Alexander T. participated and were accompanied by nine adults. Thanks to Scout Dad and Local #825 member Chris Lalevee for connecting the Troop to the IUOE, and Willie Vaccaro, VP and Training Director for Local #825 for ensuring that Troop 66 had a truly memorable experience.

Troop 66 was founded in 1957 in Matawan, NJ and provides an active year round outdoor program for boys in 5th grade and above. Troop 66 meets weekly on Wednesday evenings during the School year from 7:30-9:00pm at the Matawan United Methodist Church. The Church is located on the corner of Atlantic Avenue and Church Street in Aberdeen. If you are interested in Scouting, please visit their website at http://www.troop66matawan.com or find them on Facebook at http://www.facebook.com/Troop66Matawan.
2015 Monmouth Council Young American award recipient and Eagle Scout from Troop 223, Middlesex District, Vincent Buccigrossi, married his high school sweetheart Sarah Glockenmeier, Saturday July 27th 2019.

Attending his celebration were his Eagle Scout friends from Troop 223, captioned below. Also present we’re Vin’s cousins and fellow Eagle Scouts - Michael Massimo (Edison), Joseph Gallo (Long Island), Sam Kogan (Staten Island) and friend Dan Allen (Manville).

At Eagle Scout Court of Honors it’s common to hear how an event or badge earned in Scouting makes an everlasting footprint on a young Scout’s life. A high school and college athlete, Vincent chose his desired profession of Physician’s Assistant because of the medical knowledge and skills learned during his years as a Scout and Merit Badge Counselor.

Based in East Brunswick, Troop 223 was established in the 1960s and for nearly sixty years has run an active and high adventure based program. Chartered by VFW Post 133 both Troop and Pack 223 maintain a healthy relationship within its local community. This past June, Troop 223 celebrated their 81st Eagle Scout - Alexander Paz.

For more information on Troop 223 checkout www.troop223nj.com

Bray Barnes Recognized at the Vatican

On July 13, 2019, the Pontifical Honor of Knight Commander, Pontifical Order of St. Gregory the Great was conferred on Bray Barnes at Sant'Anna Dei Palafrenieri in the Vatican on behalf of His Holiness, Pope Francis I, by His Excellency Archbishop Vincenzo Paglia, President of the Pontifical Academy for Life and the Grand Chancellor of the St John Paul II Pontifical Institute. He was also joined by his dear friend Senator Roberto Cociancich, Republic of Italy, who also received Papal Honors in the Order of St Gregory the Great. Thank you Bray for all that you do for Scouting and the religious relations.
Carl and Janice Marchetti of the Monmouth Council were recently honored by the National Council of the Boy Scouts of America with the naming of the training room at the New National Scouting Museum at Philmont Scout Ranch in New Mexico. The 1,000 square foot room contains a display of significant events in their lives both in scouting and as medical leaders.

The National Scouting Museum was dedicated in September 2018 and the “Carl & Janice Marchetti Room” had a separate dedication ceremony in June 2019.

Dr. Marchetti has been heavily involved in Scouting for several years. He has been on the National Order of the Arrow Committee, serves on Monmouth Council’s Executive Committee, and has been recognized as the Monmouth Council Silver Beaver, Council Alumnus of the Year, Outstanding Eagle Scout of the Year and more! Thank you Dr. Marchetti for all you do for Scouting.
PLEASE JOIN US AT OUR UPCOMING SPECIAL EVENTS!
