APRIL 16-18, 2021
MAY 15-16, 2021

WHY SHOULD YOU GO TO WOOD BADGE?

This is your chance to experience Scouting from a Scout's perspective. Would you like to build your skills in communication, conflict management and leadership development? How about a leadership course that rivals many corporate level trainings?

- **Develop Stronger Troops**
- Gain a deeper understanding of what Scouting is and why we do it
- Learn and experience things that will stay with you in Scouting and the rest of your life
- Make your other groups—like work, volunteer groups, even family—stronger

WHAT IS WOOD BADGE?

Wood Badge is Scouting's premier adult leader training program. This course has made many improvements over time since it was introduced back in 1919. Wood Badge is much like any modern corporate leadership course, but does not cost \$3000, is outdoors, and is fun.

This course is open to all Scouters (Adult Volunteers & Scouting Professionals) and is a 5-day (two-weekend course), held at Quail Hill Scout Reservation.

The instructional part of the course will cover communication, goal setting, group dynamics, leadership styles, and lots of other good stuff.

There is no better time to attend a Wood Badge Course and make a difference in your Troop, than when you are a Scouts BSA leader.

TROOP LEADERSHIP SKILLS

Not everyone is a natural leader. You want the best for your children, and you take on the job as leader in your unit. You have been thrown into the fire and you need more advanced leadership skills.

During Wood Badge, you are placed in patrols that simulate the experience in a Scout unit. You work as a team to accomplish tasks. You will learn very quickly what the expectations are for scouts in a youth-led unit.

SCOUT PARENT SKILLS

Sure you may be a leader, and go to the meetings and sit on the committee, but have you asked yourself, what is it that my child needs to help them advance and get the most out of the program? Wood Badge will teach you the answers to that very simple question.
