

# WOOD BADGE N5-347-21

APRIL 16-18, 2021  
MAY 15-16, 2021

## WHY SHOULD YOU GO TO WOOD BADGE?

This is your chance to experience Scouting from a Venturer's perspective. Would you like to build your skills in communication, conflict management and leadership development? How about a leadership course that rivals many corporate level trainings?

- **Develop Stronger Crews**
- Gain a deeper understanding of what Scouting is and why we do it
- Learn and experience things that will stay with you in Scouting and the rest of your life
- Make your other groups—like work, volunteer groups, even family—stronger

## WHAT IS WOOD BADGE?

Wood Badge is Scouting's **premier adult leader training program**. This course has made many improvements over time since it was introduced back in 1919. Wood Badge is much like any modern corporate leadership course but it does not cost \$3000, it is outdoors, and **it is fun**.

This course is open to all Scouters (Adult Volunteers & Scouting Professionals) and is a 5-day (two-weekend course) held at Quail Hill Scout Reservation.

The instructional part of the course will cover communication, goal setting, group dynamics, leadership styles, and lots of other good stuff.

There is no better time to attend a Wood Badge Course and make a difference in your crew, than when you are a Venturing leader.

### VENTURING PARENT SKILLS

At various times during Wood Badge, grown men and women impersonate Venturers and the leadership roles they serve in their units. The role-playing means that rather than click-click-clicking through an online training course, adults who attend Wood Badge experience Scouting fundamentals by living them.
