

2020 QUAIL HILL SCOUTS Buckskin Workshop 56 La Valley Drive Manalapan, NJ

Dear Parents:

Thank you for registering your Scout for the Summer Buckskin Workshop at Quail Hill Scout Reservation.

All scouts must bring a completed BSA Annual Health & Medical Record Parts A & B with them to the first day of the Workshop. Parts A, B1 & B2 forms do not require a doctor visit or doctor signature. Parent or guardian can fill out.

Scouts need to bring the Leatherwork & Woodcarving merit badge pamphlet for the merit badges they are working on as well as a Blue Card for these merit badges. Blue Cards are obtained from your Troop Leader. Scouts should also bring the Scout Handbook.

The Buckskin Workshop runs from Monday thru Friday. Check in is at 8:30AM in front of Lawrence Lodge. Pick up is at 5PM on the Activity Field behind Lawrence Lodge. All scouts and adults need to wear a mask upon arrival and at Pick up. Sturdy play clothes with sneakers or hiking boots are recommended during the Workshop. No Open toes shoes or sandals are allowed. The Buckskin Workshop operates rain or shine so be sure to pack rain gear.

Participants MUST bring their own lunch and drinks. No refrigeration is available so please use icepacks in lunchboxes.

MARK ALL EQUIPMENT

Parents are encouraged to put scout's name and address on all clothing and equipment. Each year there are many items and equipment lost, unidentified and unclaimed. All unclaimed items will be returned to the Council Office at the end of workshop series and kept until September 30th.

Suggested Day Camp Equipment List

Other Needs

- ___ Canteen, plastic cup, or water bottle
- ___ Sneakers or boots only
- ___ Sunscreen & bug spray
- ___ Rain Gear
- ___ Wallet with ID and money for Trading Post
- ___ Hat
- ___ Daypack or backpack

What Not to bring to Camp

- Cell Phones
- Electronic games, TV, etc
- Knives
- Fishing gear
- Walkie talkies
- Latest "craze" toys
- NO flip flops or sandals
- Jewelry

- Buckskin Workshop participants need to bring bathing suit, towel, and must bring (not wear to camp) flip flops or shower shoes

- **Buckskin Workshop participants must bring the Leatherwork and Woodcarving merit badge pamphlets to camp as well as their Scout Handbook. Pamphlets can be purchased from the Morganville Scout Shop 705 Ginesi Drive Morganville. Phone number is 732-536-1208**

Pre-Requisites for Buckskin Workshop Merit Badges

There are no pre-requisites for Leatherwork and Woodcarving. Scouts that have the Totin' Chip card please bring to camp. For those that don't we will go over at camp.

Health and Safety at Quail Hill Merit Badge workshop

Quail Hill Scout Reservation will follow all the safety regulation set forth by NJ State and local Health Department.

Scouts will need their masks on arrival, however once they are in their merit badge group and maintain a 6-foot distance, will be able to remove mask. Group sizes will be modified.

Program areas are outdoors. If there is inclement weather, we have several buildings at Quail Hill, and groups will be moved indoors throughout various buildings to continue their program.

There will be reduced capacity in buildings. Hand sanitizer will be available at every merit badge station. Bathrooms will be sanitized every 2-3 hours - more often as needed. Scouts will not share pens/pencils, etc. Any equipment that needs to be shared will be sanitized between uses.

In order to eliminate handling of lunch boxes by others, scouts need to bring their own lunch and drinks. Use ice packs as refrigeration is not available.
