

# Attention all Battleground District Cub Scouts

*Saint Veronica*  
*Howell, New Jersey*

*Monmouth Council, BSA*  
**Troop 300**

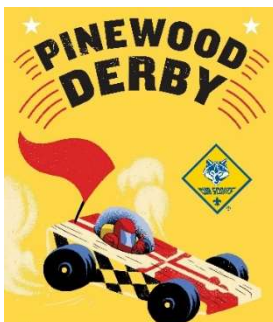

Will be hosting a Pinewood Derby Clinic on January 14<sup>th</sup> 2023 at St. Veronica's Cafeteria, 4215 Route 9, Howell, NJ

Bring your car kit and weights and our experienced Scouts (and adults) will help you with your design and assembly. Due to time constraints, paint and finishing touches should be completed at home.

- Lions and Tigers - 9am to 11am
- Wolves and Bears – 11am to 1pm
- Webelos and Arrow of Light – 1pm to 2pm

## Available Stations

- Information about classic designs (wedge, platform)
- Simple cuts across/along entire pinewood block (band saw)
- Holes for embedding weights (drill press)
- Smooth rough edges (sander)
- Weight and Dimension check using scales and official box
- Straighten and polish axles (axle tool, drill & sandpaper)
- Test track (run your car down our track to see how it performs)

## What's Not Available?

- Reminder: this clinic is for basic guidance and essential tasks.
- Car Kits and Weights are not available – please purchase prior to arriving. Items are available at the Scout Shop as well as Lowe's, Hobby Lobby and other hobby shops.
- No paints or stains are to be used in the facility.
